Education

- **Polytechnic Institute of Leiria** — B.A. in Informatics Engineering — LEIRIA, Portugal — 2022 — TODAY
- **GRACOM School of Visual Effects** — Graphic design & IT (384h) — BA, Brazil — 2016 — 2018
- **Wizard Language School** — German B1 (70h) — BA, Brazil — 2015 — 2017

Activities & projects

- **Flutter Android apps:** In my free time, I make flutter apps that focus on productivity and entertaining.
- **Geekathon2023:** I participated in the 2023 Leiria Hackathon, and developed a custom AI modeling app for influencers to create their virtual copy and enrich their interactions with followers.
- **Karate black belt:** During the 12 years that I was a practitioner, I've participated in many championships, demonstrations, and social projects. The most fulfilling ones being the teaching of free classes at public schools in Bahia, Brazil.
- **SPEAK language group:** As a "buddy", I was part of the SPEAK program, offering free English classes to my community.
